Examiner Fadok--

Further to our conversation of January 5, 2006, after receiving the Notice of Allowance in connection with the above-identified application, it has come to my attention that initialed copies of the IDS filed on February 23, 2000 and of the SIDS filed on August 14, 2002 in connection with the application were never returned. As you requested, attached please find copies of the IDSs (without references) and corresponding post cards showing dates received at the PTO.

Please return the initialed copies of the IDSs to me by return facsimile as soon as possible. If you have any questions or concerns, please do not hesitate to contact me.
